Mission Support from church collections during June

(please also see People to People board and table in the foyer).

Open Door provides daytime care for an increasing number of homeless people in Taunton. Tim Hather, the previous manager, described it as the best job he had ever had. It costs £200 a day to run. A previous client who now has his own business recently gave the centre two computers as a mark of gratitude. Thank you for your giving.

Taunton Foodbank is **not** covered by the collections but food can be left for families in crisis in a box in the foyer - parents are skipping meals to provide for their children. A list of suggestions is given in their leaflet.

St Michael's invite and welcome to the Lord's table, fellow Christians who are in good standing with their own denominations. If you would like a prayer for healing, we request that you bring this pewslip in your hands when you come for Communion.

A special welcome if you are new to our worship here at St. Michael's. We would like to get to know you as soon as possible. To help us, please fill in the slip below and hand to one of the clergy as you leave.
